Partner Reading for Accuracy

Name:

_____

Partner:

_____

Directions:

1. Partners sit side by side.
2. Both whisper-read the same story chorally.
3. After reading the whole story, partners decide who will be the first reader and what parts each will read. (The whole story? The first page?)
4. Record the story title and then swap papers.
5. First Reader reads, while partner follows along silently and tallies any errors on the First Reader's paper.
6. When First Reader is finished, partners discuss errors and fluency score.
7. Partners reverse roles so that Second Reader reads and partner tallies and scores

Repeat steps 5-7 again. Discuss improvements in reading accuracy and fluency.
